

## Love Potion

**Prep Time:** 5 minutes

**Yield:** 1 delicious libation

### Ingredients

- 1 bottle prosecco
- 1 oz. [Gustare Honeybell Orange White Balsamic Vinegar](#)
- 1 oz. cranberry juice
- 2 fresh raspberries, for garnish
- Lavender coarse grain sugar, for garnish (easily found in craft stores)
- Champagne glass

### Directions

1. Moisten rim of champagne glass. Dip and twist in lavender sugar to evenly coat rim.
2. Slowly pour prosecco into glass, allowing foam to recede until glass is  $\frac{2}{3}$  full.
3. Add Honeybell-Orange balsamic and cranberry juice. Stir thoroughly, being certain to disturb any balsamic that initially tends to settle in the bottom of the glass.
4. Finish with the addition of 2 raspberries. Enjoy with someone special. Xo!
